

## **Inclement Weather Policy**

It is rare that The Pediatric Clinic must close due to inclement weather conditions or for any other reason. When such circumstances arise, if you have an appointment, we will make every effort to contact you by phone. Closings will be announced on WORG, by Facebook, and on our website.

Keeping your contact information current will aid us in such situations.

If you call our office and we are closed - for inclement weather, a holiday, on weekends or it is after hours - a health care provider remains available for telephone advice. Call the tRMC hospital operator at 803-395-2200 to have contact us.
